STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on 07/24/2021 while exercising my duties as a law enforcement officer in the Eastern District of WA

I state that on July 24th 2021, while exercising my duties as a law enforcement officer in the Eastern District of Washington: Pursuant to 16USC 551; I was on uniformed patrol in a marked patrol vehicle in the Okanogan National Forest in Okanogan County at Early Winters Guard Station at approximately 1830 hours, when I observed a black four door pickup truck traveling west bound at a high rate of speed on SR 20 in an area that is closed to public traffic due to wildfire activity. Moments later I heard radio traffic from a road guard, a Forest Service employee, advising that the vehicle had run through the barricade and was likely to endanger firefighters working on SR 20. By the time I initiated a response, the truck was out of sight. Moments later, as I was accelerating west bound, the subject truck rounded a corner, now heading east bound. I activated my emergency lights as the truck was traveling directly towards me on a straightaway. I observed the front end of the truck lift slightly and the back-end squat slightly, indicating that the truck was accelerating. The truck sped past me and I immediately pulled a U-turn to follow. Once I was behind the truck headed east bound, the truck eventually pulled over to the right shoulder as several more law enforcement vehicles and a fire vehicle blocked its path forward.

I then contacted the passenger who presented a Washington State driver's license without prompting that identified him as Jamie SLUY. I asked SLUY where he was headed to and where he was coming from. SLUY responded with contradictory statements that were not consistent with his observed direction of travel. SLUY denied seeing or driving past any road barricades. I explained to SLUY that he drove past several closure signs and that his traffic on SR 20 endangered the safety of firefighters actively working on the roadway. SLUY minimally acknowledged my further statements and questions. I directed SLUY out of the vehicle and he kicked off his flip flops to walk barefoot to the rear of the vehicle where I had him sit on a guardrail. I requested additional resources and made contact with witnesses. By phone, a Forest Service road guard on SR 20 informed me that a black four door pickup truck had struck and destroyed the US Forest Service road barricade, hitting it on the passenger side of the pickup truck as it sped past the closure. A Forest Service firefighter arrived in a yellow shirt and marked vehicle to describe how the
